NOT A FEW of the worst disorders that affect mankind arise from the corruption that accumulates in the blood. Of all the discreerice that have been made to purge it out, none can equal in effect Helmbold's Compound Extract of Sarsaparille. It cleanses and renovates the blood, instifs the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthly functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time, the public have one on which they This preparation, long and can depend.
